## THE MISSION AND PURPOSE OF HOLY CROSS HIGH SCHOOL

The **Mission** of Holy Cross High School is to assist in the total Christian education of young men and women. To accomplish this, Holy Cross High School, in cooperation with parents, provides a framework, which fosters integration of the spiritual, intellectual, emotional, physical and social growth of each individual.

Holy Cross High School is an integral part of the mission of the Catholic Church. Our special role at Holy Cross High School is founded on the love that Jesus Christ has for us. We believe this love will lead us to an awareness of the uniqueness of each person in the Holy Cross community. The school's purpose is to foster the development of conscience and a sense of responsibility in each member of the school community. We trust that the awareness of Christ's love for us will lead us to a Christian commitment which manifests love and concern for all.
